Dear Friends,

We are enclosing the application for our **14th Annual Christmas in the Country Craft Show**, which will be held on **Saturday, December 6**. We are also enclosing a flyer for you to copy and distribute as you travel to other shows, in order to help attract more customers.

We will again be at *The Station House* (formerly known as the Tuckahoe Feed Barn) on Railroad Avenue. For detailed directions, we suggest using MapQuest® online. *The Station House* is directly across the street from the historic **Tuckahoe Train Station**. Extensive renovations have been completed at both buildings, and we are confident that you will be impressed at the stunning results. We do need to remind you that the portion of *The Station House* which we will be using is not heated, so please dress accordingly.

We will provide music as always, which helps to set the jolly mood for our shows. Boy Scout Troop 55 will offer their delicious hot apple cider, hot chocolate, and other goodies. Food vendors will also be there to offer coffee during setup, and lunch.

Setup for **Christmas in the Country** will begin at 7 AM at *The Station House*. Please use the large overhead door to unload. Volunteers will be there to direct you to your space and answer any questions. This is a non-juried show, but space is limited, so be sure to sign up as soon as possible to reserve your space. This year's fee is \$30 for a 10' by 10' space. Please see the enclosed application for additional information.

If you have any questions or need directions, please call our "dumb machine" at (609) 628-2372 and leave a message, including your name, telephone number, and the best time to reach you. Please speak clearly when leaving this information or we will not be able to return your call!

Thank you for your past support, as well as your valuable input. We hope to hear from you soon!

Sincerely,

Dave Levari
